Memphis, Tennessee 30134
Phone 901-379-4320
Fax 901-379-4205
E-mail Bob.Johnson@ShelbyCountytn.Gov

Functions of the Board:

1. Approve or reject the use of new materials or assemblies of materials.
2. Review and recommend changes in the Technical Codes suggested by changes in the International Codes and National Electrical Code
3. Consider and recommend changes in the Technical Codes.
4. Act as advisors to the Administrator, Building Official or the Chief Electrical Inspector and any other way in which their service may be requested.
5. Develop orderly procedures for reviewing complaints and violations and when necessary suspending or revoking the licenses, or registration of or otherwise disciplining a license holder and non-license holder by charging a penalty.
6. Recommend license, registration and examination fee changes to the Administrator when appropriate.
